JOSEPH DioGUARDI
SUPERINTENDENT

October 3, 2011

Dear Parents/ Guardians,

The Addison Central School District is pleased to announce our subscription to SchoolConnects Automated Notification Service. SchoolConnects will deliver a variety of messages by phone and e-mail to parents and our staff at a very high speed. It will help enhance overall communications within our school community and improve our emergency preparedness.

We believe that good attendance is an important factor contributing to the academic success of students. To keep you informed of your child's class attendance in a timely manner, we will be using SchoolConnects to notify you by phone and e-mail whenever your child is marked absent from class. The attendance related phone calls will be made to your home phone in the morning. If you have a personal mobile phone, you have the choice of having SchoolConnects call your mobile phone to ensure that you personally get the messages. Please let your child's school know and we will be glad to make the change for you. Upon receiving an absence notice, send in a written note to let us know the reason for the absence.

To ensure correct delivery of all school messages to you, please make sure that your contact phone numbers and e-mail addresses are accurate and current. Whenever your contact phone numbers or e-mail addresses change, please notify your child's school as soon as possible.

If you do not want SchoolConnects to call or send e-mail messages to you, please notify your child's school. We will take you off the distribution lists.

We are excited about using SchoolConnects to enhance overall communication and improve the quality of education for your child. We would like to hear your feedback on this new initiative.

Sincerely,

Joseph DioGuardi

Superintendent, Addison Central School District
