

## 2021-2022 Board of Education Goals

### STUDENTS

#### GOAL:

The District will incorporate into regular classroom the use of differentiated instructional strategies building upon the learning styles of students.

#### ACTIVITIES:

1. Receive periodic updates relating to instructional strategies in the classroom from District Instructional Leaders.
2. Support Professional Learning activities for all staff by supporting the planning of Staff Development days.

### FACILITIES

#### GOALS:

1. The District will secure a positive public referendum for the purchase of 0 Colwell Street, Addison, NY 14801 on December 9, 2021.
2. The District will secure a positive public referendum for a Capstone capital construction project on May 17, 2022.

#### ACTIVITIES:

1. Receive regular updates from SEI Design on scope and design phases
2. Reconvene the Facilities Committee
3. Prioritize the Building Conditions Survey Findings

### COMMUNICATIONS

#### GOAL:

The District will administer an initial climate survey to elicit from students, staff, parents, and other district residents their views of effectiveness of district communication venues.

#### ACTIVITIES:

1. Receive the survey results
2. Develop recommendations for the 2022-2023 school year
