

Unfortunately, due to the outbreak of COVID-19 in New York State, we have **suspended the delivery of Tuscarora Elementary's Gertrude Hawk Chocolate orders indefinitely.**

It is critical that we follow the guidelines of the Center for Disease Control and Department of Public Health to reduce transmission of this disease. Additionally, it's important to us that we follow these guidelines to provide for the safety of our students and their families.

We will continue to communicate with the Gertrude Hawk Company to determine a future date for the safe delivery of the chocolate. At this time, the delivery is suspended indefinitely.

Our school is deeply appreciative of the support of our community in this annual fundraiser. We realize that these holiday-themed items were ordered based on delivery by Easter and apologize for this inconvenience to those who placed orders. We thank you for your understanding of this difficult decision at this time.
