On Wednesday, May 18<sup>th</sup>, Addison High School, in partnership with the Career Development Council, hosted a Trades, Career, Services, and College Fair. Students in grades 9-12 were able to spend time learning about different opportunities that are available throughout our region.

Thank you to all of the presenters, sponsors, and organizers who made this day informational and special for the students of Addison High School.

### NOTICE

The Addison Central School District Board of Education (BOE) will hold a Business Meeting on June 14, 2022 @ 6:00p.m. in the High School Cafeteria.

Current Events

These state assessments are designed to help schools measure the effectiveness of their instructional programs and to measure yearly student progress. Results from the state exams are one data point reviewed and analyzed to identify students requiring additional academic assistance during the following school year.

Please make every effort to have your child in attendance and on-time during these important days. Students should report to school at their normal time. Testing start times vary by grade, however, there is no time limit and students can continue to work productively until they complete the test.

Please encourage your child to do his/her best. We recommend a good night's sleep and a nutritious breakfast to start the day off right!
